

Appendix 2: Catchment maps

The following series of maps indicate the catchment areas for each service, from which the combined development contribution is calculated. Where there is uncertainty regarding the precise location of a property in relation to the catchment area boundaries, advice should be sought from council staff. The district wide reserves, district wide community facilities and district wide roading charges will be levied on any property that falls within the Waikato district.

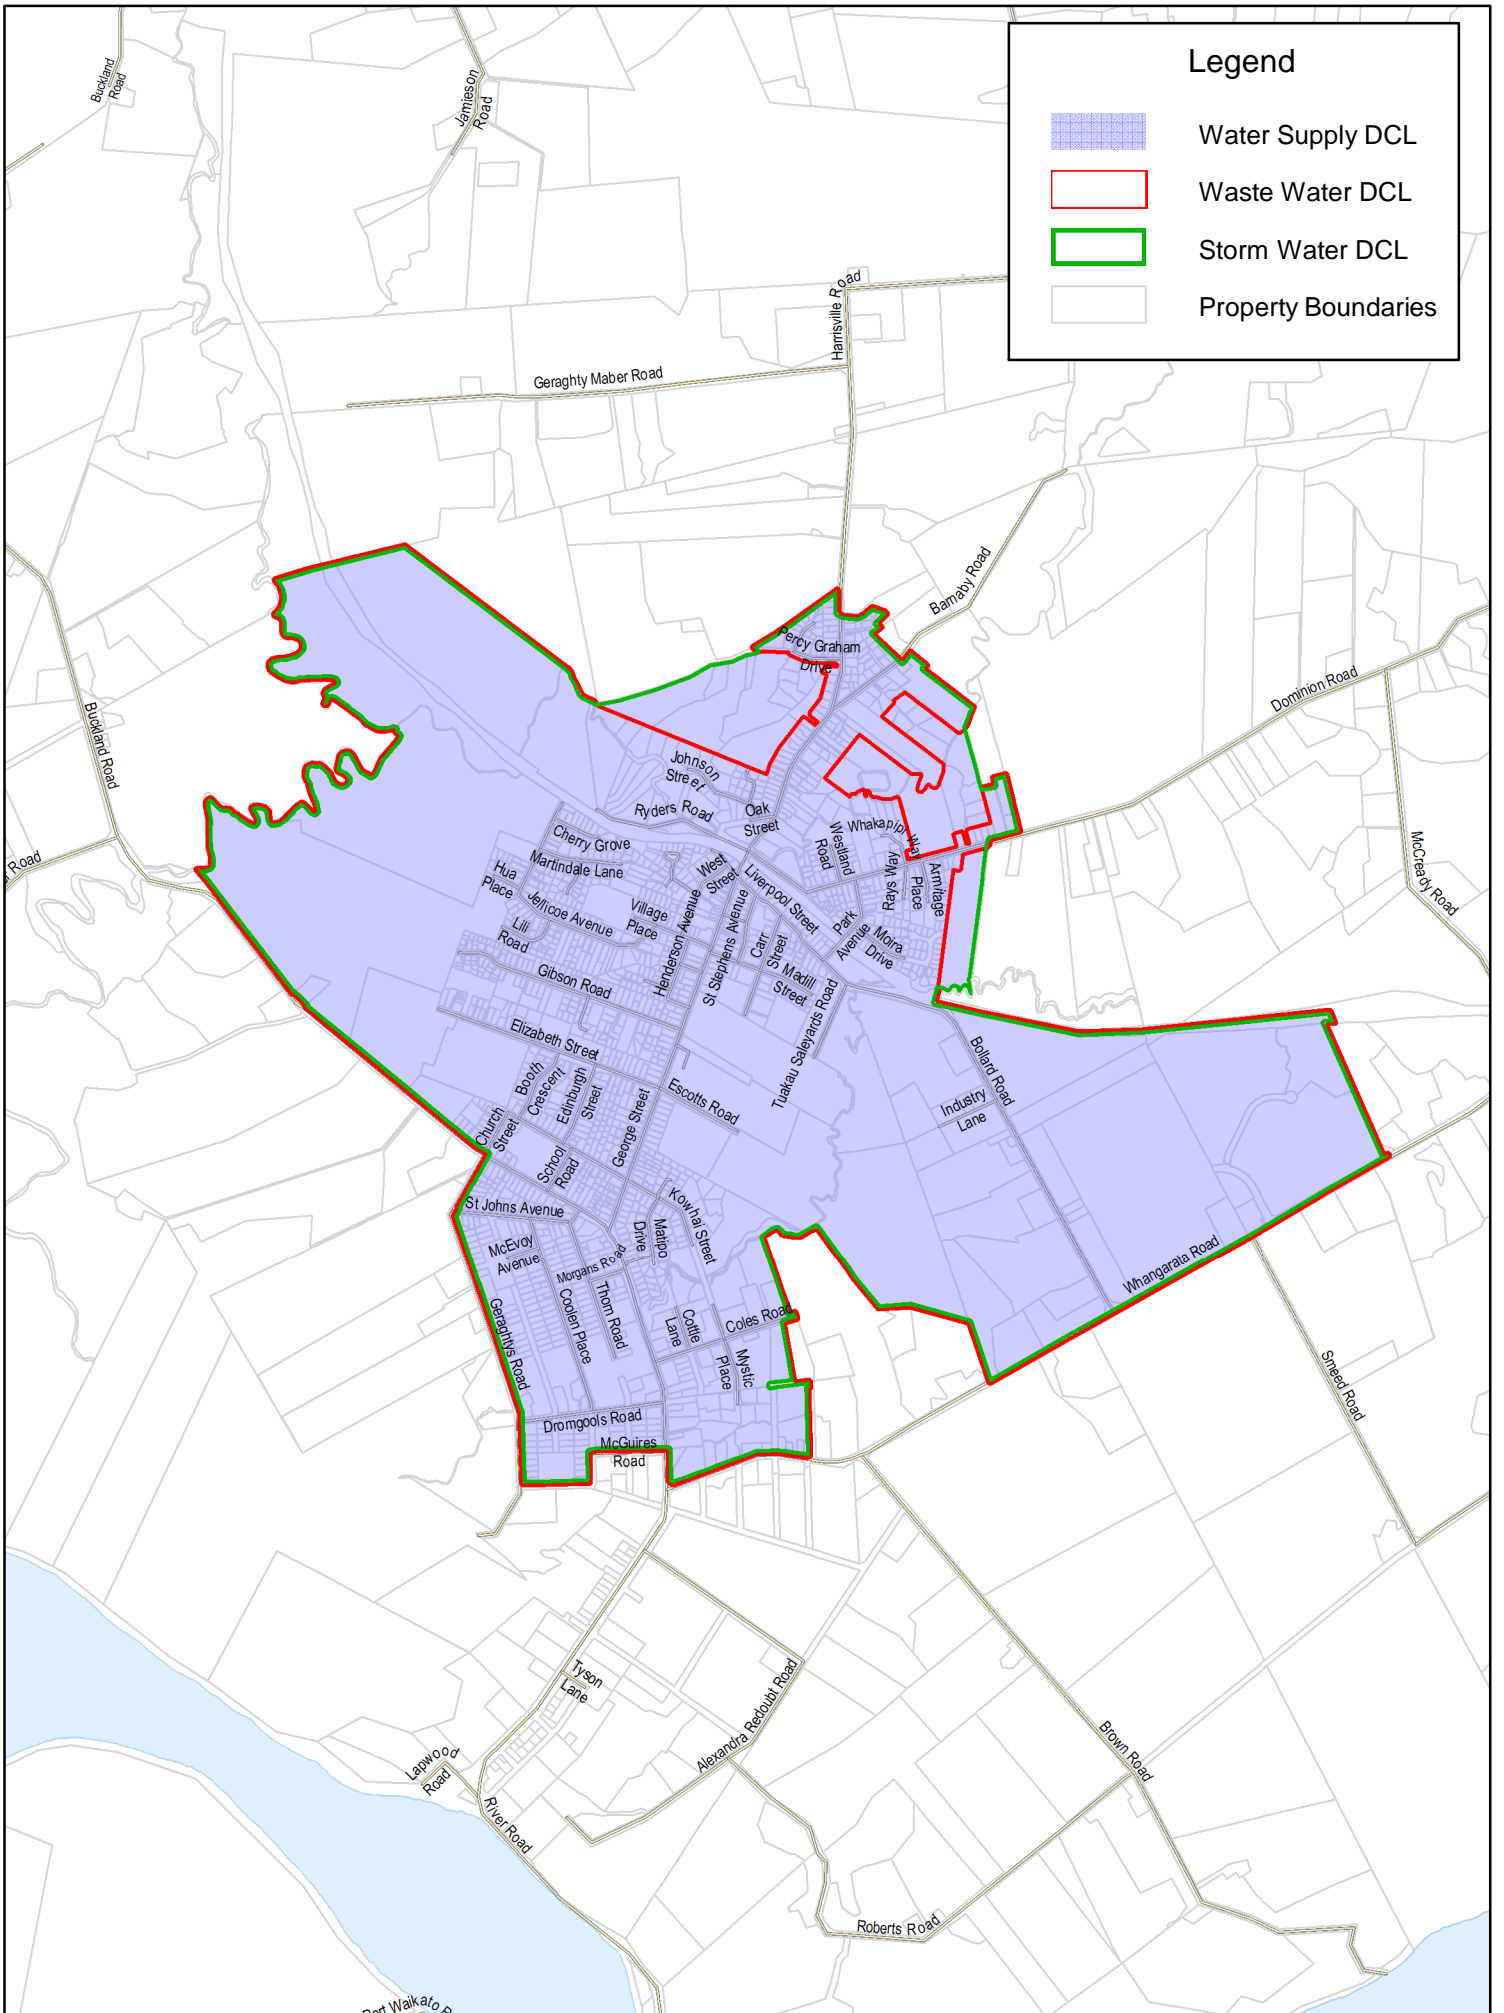

Proposed catchment maps

Map 1	Pokeno
Map 2	Tuakau
Map 3	Huntly
Map 4	Ngaruawahia and Taupiri
Map 5	Horotiu development agreement
Map 6	Raglan
Map 7	Southern Districts
Map 8	Whaanga Coast
Map 9	Te Kauwhata, Rangiriri, Meremere
