Application to Remove Flow Restrictor

Section 1: Applicant

Name: **Property number**

(Please print)

Location of property:

Meter Number *Please tick one for preferred method of communication*

Postal address:

Email address:

Daytime telephone number:.....

Section 2: Application

I wish to request a flow restrictor removal for the above property for a maximum period of 4 months.

Date I would like the restrictor removed:

Building Consent number:

Reason to be removed temporarily

I agree to the conditions below.

Signed (owner) **Date:**.....

Section 3: Conditions

1. Flow restrictor removal cost can be viewed on www.waikatodistrict.govt.nz or you may contact the Council for more information.
2. All consumption through the meter is the owner's responsibility. This will be charged to the owner and is separate from the flow restrictor removal cost.
3. The flow restrictor is removed temporary to provide full flow water while a storage tank and pump equipment is installed on the property.
4. The minimum capacity of tank required should be 22,000L or provide 48 hours storage, whichever is greater.
5. The flow restrictor will be installed at the end of the four months, regardless of whether the building on site has been completed.

Please return all documentation to:
